## **Lampedusa in Hamburg calling: Manifestation**

**We need our tent for our struggle and fight against racism**

**After 5 years, we are still confronted with racist controls and repression.**

**At the moment, we are facing constant police presence.**

**We are not even allowed to shelter and support our comrades facing homelessness because of the government is increasingly restrictive policies.**

**After all this time, not all of us have the right to stay and work in Hamburg, this is why the tent must stay!**

**Freedom of Movement! Lampedusa in Hamburg is here to stay!**
